PROJECTS

Pengajian Am E-Learning System - Final Year Project

2026

- Developed a web-based e-learning system to support Semester 1 STPM Pengajian Am students in learning and revision.

Linking Park Smart Parking Prototype

2026

- Built a functional Arduino-based prototype that detects incoming vehicles and assigns an available parking space.

Pantun Remix - Malay Pantun Learning Game

2025

- Created a web-based learning game that helps users learn and practise Malay pantun using PHP, CSS, and Laravel.

Customer Churn Prediction Using Decision Tree Classification

2025

- Prepared and analysed customer data in WEKA and developed decision tree-based classification models for a Data Mining course project.

Gym Membership Management System

2024

- Developed a basic system to organise gym member information and membership records.

PowerBI Dashboard Challenge

2026

- Developed an interactive Business Intelligence dashboard using Power BI and created predictive models for our University.

WORK EXPERIENCE

Stall Operator

2024 - 2025

Local Food Stall - Part-time

- Managed daily food preparation, customer orders, and high-volume sales operations while maintaining product quality and cleanliness.
- Monitored ingredients and stock levels carefully to minimise wastage and support smooth daily operations.

Flood Relief Volunteer

MERCY Malaysia - Volunteer

- Supported flood-relief activities by organising supplies, assisting with distribution, and helping affected communities under team supervision.

Independent Amway Business Owner (ABO)

2022 - 2024

Amway Malaysia - Part-time

- Handled product promotion, customer communication, order coordination, and basic sales record keeping.

Grocery Replenishment Assistant

May 2023 - Aug 2023

Lotus's - Part-time

- Restocked dry-grocery products such as rice and sugar, arranged shelves, checked product availability, and maintained a clean and organised sales area.

Independent Delivery Partner

2021 - 2023

foodpanda (Delivery Hero Malaysia) - Part-time

- Completed customer deliveries safely and efficiently, planned suitable routes, and communicated professionally with customers.

LEADERSHIP, PARTICIPATIONS & ACHIEVEMENTS

Kesatria Commanders Battalion, UiTM

2024 - Present

Leadership Progression

- Second-in-Command (2IC), 2026 - Present: Supports the Commander in coordinating operations, maintaining discipline, and leading battalion members.
- Pegawai Latih / Trainee Officer, 2024 - 2025: Completed structured foundational training in leadership, teamwork, discipline, and operational planning.

3rd Place - Extreme Outdoor Quest (Mountain Bike)

2024

Komander Kesatria Endurance Challenge (KKEC)

- Achieved third place against participants from multiple UiTM campuses in a demanding endurance and navigation event.

PRIDE Showcase 13.0

2026

Universiti Teknologi MARA

- Participated in a university innovation showcase focused on computing, entrepreneurship, project demonstration, and presentation skills.
